

Psi Chi Meeting Minutes

Jan. 17, 2007 6:15pm

In Attendance: Dr. Schreck, Amber Jones, Nick Eckman, Claire Ivy, Bianca Pizzo

-Fund Raiser: We have decided to sell subs to people attending night classes on campus. I (Claire) will find a location near campus to order and purchase the subs from, get a menu, and possibly figure out easy to assemble box dinners for students. The more a Psi Chi member sells, the more funds they will receive to attend the Penn ABA conference in Pittsburg.

- Induction of new Psi Chi members: March 30th is the date we have set. Bianca will be requesting room availability of both the gallery lounge and the auditorium for that evening. We will be pricing out food, we are planning on serving: sandwiches, something vegetarian, fruit, cake, punch and other drinks. We also will need to ask faculty if they would like to speak at our induction.

- New Psi Chi officers: We need officers for next year, Bianca will be sending out an e-mail to current and future members asking for volunteers for next year.

-Service project: Our gift collection for Kids with cancer at the Hershey Med Center was very successful last semester. We will be doing another gift drive for them this semester.

-Meeting with Augi Bravo: Amber will be fulfilling this requirement, she will also be asking about how the Penn ABA conference money is disbursed as well as how to use the induction money and pay for food at Wal-Mart.

- Update e-mails: In next month's Psi Chi update e-mails we will be including an application for if members are interested in attending Penn ABA and the fundraiser selling subs. The application must be returned by Feb. 15th.

- Colloquium: Nick will be contacting Cobi Michael about having Dr. Keith Williams come in as a speaker, which Psi Chi will sponsor.
