Topics Discussed:

Officers running for next year

Bianca will be emailing all Psi-Chi members a voting form to elect new officers for next year. The following students are currently running:

President: Don Dickenson

Vice President: Brian Green

Treasurer: Lacy

Secretary: possibly Megan Taylor pending enrollment

Other candidates may be written in to the voter forms.

Voting forms are due by March 20th.

New officers are required to attend a meeting following elections on March 26th at 5:30. Bianca will be reserving and scheduling the room. If you cannot attend at this time please contact one of the current officers and we will try to accommodate your schedule. The e-mail addresses are listed above.

Fundraiser

All Psi Chi members are asked to help sell Sheetz lunch vouchers, they are \$4 each. Contact an officer to pick up your vouchers. The e-mail addresses are listed above. All money and left over vouchers are due in 6 weeks.

Induction

Dr. Schreck will be contacting Dairi to compile a list of Psi Chi candidates for induction. Nick and Dr. Schreck will be taking inventory of the supplies we have in storage (Nick e-mail Dr. Schreck about setting a time for that). Currently induction is scheduled for March 30th 5:00-7:30pm, this may or may not be postponed to April 13 or 27th. Claire will be inquiring about room availability. Most likely the certificates will be printed at a later date. The food will be ordered three days prior to the induction. The speaker will either be Dr. Keith Williams or Jonathan Ivy; Bianca will be contacting Dr. Williams. Nick will also be speaking, summarizing our year. Claire will be contacting Daria about printing the programs.

PennABA

For those attending, registration forms are due. Melinda Logan needs all information to direct bill for the conference.

Next Meeting

The meeting in April will depend on when Dr. Yanni-Brekford will be available. We will be getting that information out as soon as possible.
