

MASTER'S PAPER SPECIFICATIONS (Sample Signatory Page)

We approve the paper of Michael C. Jones.

Signatories:

Date of Signature:

William E. Sharpe, Professor Forest Hydrology,
Program Adviser

Paul D. Robillard, Associate Professor of Agricultural
Engineering, Paper Reader

Note: check with your adviser to determine if the head of the
department of affiliation wishes to sign master's papers - this
varies from one unit to another. If applicable, his or her signature
should be placed here.

Herschel A. Elliott, Professor of Agricultural and Biological
Engineering and Chair, Environmental Pollution Control
